

Orthopaedic Surgery Associates, Inc.

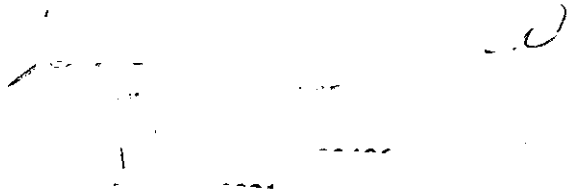

Dear Maritza,

I want to take this opportunity to thank you for recommending Boca Home Health Care, Inc. for my follow up care after my recent surgery.

From start to finish everyone I came in contact with was very professional and sensitive to my needs. The nurse, Marissa, that came to my home when I returned after my total knee replacement was thorough in assessing my needs and attending to them. The physical therapist, Brian, worked with me at my comfort zone but was always encouraging me to push just that little bit further. They were a joy to work with and I am sure contributed to my speedy progress.

In these days of chronic complaining I felt the need to pass along some positive thoughts and again say thank you for all your help

Sincerely,
